

MESSAGES AUX CLIENTS :

• **Message pour le site Internet**

[Campings non dotés d'ERP \(établissements recevant du public\) visés par le décret \(salles de spectacle ou multi activités, salles de restaurant, bar, etc.\) ni de piscine :](#)

We are delighted to welcome you to our campsite this summer.

Access to the campsite and to your accommodation or pitch is not subject to the presentation of a health pass.

However, to ensure that your holiday goes smoothly, we remind you that when you are out and about visiting the area, access to museums, shows, entertainment venues, cinemas, etc, are subject to the presentation of a health pass by all adults from 21st July and access to bars and restaurants from 1st August.

If you live outside of France:

Non-vaccinated people (fully vaccinated), must present a negative PCR test or antigen test carried out less than 72 hours before departure.

Non-vaccinated people travelling from the United Kingdom, Portugal, Cyprus, Netherlands and Greece, must carry out a test less than 24 hours before departure.

To ensure we all enjoy this summer holiday together, please be careful and continue to carry out preventative measures.

Don't hesitate to contact us if you require further information.

[Pour les campings dotés d'ERP \(établissements recevant du public\) visés par le décret \(salles de spectacle ou multi activités, salles de restaurant, bar, etc.\) et de piscine :](#)

We are delighted to welcome you to our campsite this summer.

To ensure your freedom throughout your holiday, and following recent government announcements, all adults over 18 must present a health pass, once, on arrival at the campsite.

It may be in digital or paper format.

This pass allows you access to all of the campsite's facilities and activities throughout the duration of your stay.

If you live outside of France:

Non-vaccinated people (fully vaccinated), must present a negative PCR test or antigen test carried out less than 72 hours before departure.

Non-vaccinated people travelling from the United Kingdom, Portugal, Cyprus, Netherlands and Greece, must carry out a test less than 24 hours before departure.

To ensure we all enjoy this summer holiday together, please be careful and continue to carry out preventative measures.

[Campings non dotés d'ERP \(établissement recevant du public\) visés par le décret \(salles de spectacle ou multi activités, salles de restaurant, bar, etc.\) ni de piscine :](#)

You will be spending your holiday in our establishment and we are delighted to welcome you.

Access to the campsite and to your accommodation or pitch is not subject to the presentation of a health pass. You can freely access our campsite without any particular restrictions.

However, to ensure that your holiday goes smoothly, here is a reminder of the latest government measures regarding health and safety:

When you are out and about visiting the area, access to museums, shows, entertainment venues, cinemas, etc, are subject to the presentation of a health pass by all adults from 21st July and access to bars and restaurants from 1st August.

The health pass can be in digital or paper format and is proof of :

1. Full vaccination :
 - 1 week after the 2nd injection for 2 shot vaccines (Pfizer, Moderna, AstraZeneca) ;
 - 4 weeks after the injection for single shot vaccines (Johnson & Johnson de Janssen) ;
 - 2 weeks after the injection for people who have been infected by Covid (single injection).
2. Negative RT-PCR or antigen test result taken within 48h
3. or positive RT-PCR to prove you have recovered from Covid-19 within the last 6 months and more than 11 days ago.

If you live outside of France:

Non-vaccinated people (fully vaccinated), must present a negative PCR test or antigen test carried out less than 72 hours before departure.

Non-vaccinated people travelling from the United Kingdom, Portugal, Cyprus, Netherlands and Greece, must carry out a test less than 24 hours before departure.

Don't hesitate to contact us if you require further information.
